WHAT'S HAPPENING

A newsletter for the Maine Medical Center family

New Quality & Safety Leaders Announced

Dr. Omar Hasan, HBBS, MPH, M.S., is the new Senior Vice President, Chief Quality & Safety Officer for MaineHealth and Maine Medical Center. **Mark Parker, M.D.**, has been selected to serve as Maine Medical Center's next Vice President of Quality & Safety.

Dr. Hasan most recently served as the Vice President, Improving Health Outcomes at the American Medical Association (AMA) in Chicago. In his new role, he will lead the development of an integrated, system-wide approach to quality, patient safety, and measurement that contribute directly to improved patient care and care effectiveness across the inpatient and

outpatient spectrum.

Prior to the AMA, Dr. Hasan was Medical Director, Continuum of Care Strategies, at Brigham and Women's Hospital in Boston, between 2010 and 2012. He has served as an instructor of Medicine at Harvard Medical School, a fellow at Harvard Medical School, Harvard Business School, and at the Institute for Healthcare Improvement. He has also held several clinical and administrative positions in private practice. Dr. Hasan earned his medical degree from King Edward Medical University in Lahore, Pakistan. He moved to the United States in 2000, and will begin his role this month.

Omar Hasan, HBBS, MPH, M.S.

Mark Parker, M.D.

"Improving patient safety and quality is a growing imperative for all medical centers and health systems, ours included, which is why we are so excited to welcome a physician leader of Dr. Hasan's expertise," says Rich Petersen, MMC President and CEO.

Dr. Parker currently serves as MMC's Division Director of Nephrology and Transplantation. He earned his medical degree from the University of Connecticut in 1989 and completed his post-doctoral residency in internal medicine and his fellowship in nephrology at Tufts-New England Medical Center in Boston. In addition to his administrative appointment, Dr. Parker is also the Nephrology Fellowship Training Program Director. He is a national leader in nephrology education and workforce recruitment.

Dr. Parker will assume his role in January 2017 fill the position that will be vacated by Joshua Cutler, M.D. Dr. Cutler served in his role for the past three years, and will retire from the post in December.

FLU SEASON HAS ARRIVED EARLY

Anyone with an employee badge gets the flu vaccine for free

See eNews for the October flu blitz schedule

All employees must be vaccinated, show proof of vaccination, or submit a declination form to Employee Health

PEOPLE NEWS
